

Orange Emulsion Degreaser

A concentrated oil and grease solvent and emulsifier. Penetrates and dissolves grease, tar and oil from equipment, grease traps, floors and machinery. Leaves a pleasant orange odor.

Directions

Spray or mop Orange Emulsion Degreaser over surface to be cleaned. If grease build up is thick, score with a wire brush and mix intimately with cleaner. Allow to sit for 10 minutes then hose off with a stream of water under pressure. Can be used as a presoak prior to steam cleaning. Scrape off thick grease before treatment. For mild soils, dilute with 10 parts water. This mixture can be used in dip tanks and for swabbing of surfaces. Safe on all ferrous metals. Concentrated product may damage painted surfaces.

Dilution: Used undiluted in most applications

Application

For dissolving grease, tar and oil from equipment, grease traps, floors and machinery.

Technical Data

Appearance: Clear Liquid Biodegradable: Yes Solubility: 100% Foaming: Medium

pH: 8.5 Stability: Good

Storage Instructions

Keep containers closed when not in use. Store at room temperatures, i.e. 40 to 95°F (4 to 35°C).

Store in a cool location. Provide ventilation for receptacles. Store away from foodstuffs. Do not store together with acids. Store in a cool, dry conditions in well-sealed receptacles. Keep container tightly sealed.

Product may become unstable if cooled below 40°F. Keep product warm and above bare concrete floors. If product becomes unstable, add hot water and mix well. Product may be used if thawed properly.

Product Code

CW597

Safety

Hazard statements:

Flammable liquid and vapour. Causes skin irritation. May cause an allergic skin reaction. Causes serious eye damage.

DANGER

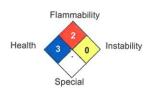

Precautionary statements:

Keep away from heat/sparks/open flames/hot surfaces - No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/light/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Avoid breathing dust/fume/gas/mist/vapours/spray. Wash thoroughly after handling. Contaminated work clothing should not be allowed out of the workplace. Wear protective gloves/ protective clothing/eve protection/face protection. Immediately call a POISON CENTER or doctor/physician. Specific treatment (see First Aid or consult Section 4 on SDS). Take off contaminated clothing and wash before reuse.
