

Armor & Shield Dressing

A silicone based oil-in-water emulsion that puts a hard shine on wood and metals. Safe for all surfaces that mineral spirits will not affect.

Directions

Apply and shine with a cloth. Provides a rich patina and is easy to apply. Cleans, shines and protects the surface. The lemon fragrance is an attractive fresh fruit odor. The polish has easy wipe and low smear characteristics that make this high gloss finish a top performer. Can also be used on appliances, stoves, refrigerators and counter tops. Non-abrasive, it contains a solvating action that removes stains as it polishes.

Application

A silicone containing coating for plastics, rubber, finished leather, vinyl and wood items which protects and plasticizes the surface. It is a water based formulation that is non flammable, non corrosive, non toxic and has a pleasant lemon odor. Armor & Shield will penetrate and protect automotive surfaces such as dashboards, vinyl tops, seats, hoses and tires. Can be used on sporting goods such as gloves, mitts, shoes and bags. Good for household items such as furniture and leather. Treated surfaces are made anti static and dirt repellent. Helps to repel mud and dirt. NOT for use on floors or fabrics

Technical Data

Appearance: White Liquid
 Odor: Mild lemon
 pH: 8
 Stability: Good

Storage Instructions

Wear all appropriate Personal Protective Equipment (PPE). Wear respiratory protection or ensure adequate ventilation at all times as vapors can accumulate in confined or poorly ventilated areas. Avoid aerosolizing product. Use the product in a manner which minimizes splashes and/or the creation of dust. Keep containers closed when not in use. Store at room temperatures, i.e., 40 to 95 F (4 to 35). Store in a cool location. Provide ventilation for receptacles. Avoid storage near extreme heat, ignition sources or open flame. Store away from foodstuffs. Store away from oxidizing agents. Do not store together with acids. Store in cool, dry conditions in well sealed receptacles. Keep container tightly sealed.

Product Code

A507

Safety

Hazard statements:

Flammable liquid and vapour

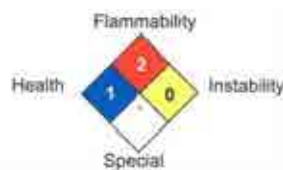

Signal Word: WARNING

Precautionary statements:

Keep away from heat/sparks/open flames/hot surfaces – No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/light/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Wear protective gloves/protective clothing/eye protection/face protection. IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. In case of fire: Use water, carbon dioxide, dry chemical or foam for extinction. Store in a well ventilated place. Keep cool.
