

ShoreWalls

Highly efficient blend of acids and surfactants formulated to remove the heavy buildup of dirt and grime on the interior walls of car washes. Can remove unsightly stains from PVC and FRP Panels, Brick, Block, Concrete, and stone walls. Also very effective in removing rust from many of these porous surfaces

Dilution

Dilution rates range from undiluted up to 50:1 with water depending on level of soil and amount of agitation during cleaning. Dwell time should not exceed 15 minutes. All projects should start with a test application to determine the suitability of the cleaner and acceptable application method. The test area should involve the most severely affected area. Before starting the project, allow the test area to dry in order to check for possible adverse reactions.

Application

- Used in tunnels, in-bay washes & self-serve.

Technical Data

Appearance: Pale Amber Liquid
 Biodegradable: Yes
 Foaming: High
 pH: <1.0
 Rinsing: Complete
 Stability: Good

Storage Instructions

Wear all appropriate Personal Protective Equipment (PPE). Wear respiratory protection or ensure adequate ventilation at all times as vapors can accumulate in confined or poorly ventilated areas. Avoid aerosolizing product. Use the product in a manner which minimizes splashes and/or the creation of dust. Keep containers closed when not in use. Store at room temperatures, i.e., 40 to 95 F (4 to 35 C). Do not allow product to come in contact with aluminum. Store in a cool location. Provide ventilation for receptacles. Store away from foodstuffs. Do not store together with caustics (alkalis). Store in cool, dry conditions in well sealed receptacles. Keep container tightly sealed.

Product Code

A762

Safety

Hazard statements: Causes severe skin burns and eye damage. Toxic if inhaled. Causes serious eye damage.

Signal Word: DANGER

Precautionary statements: Do not breathe dust/fume/gas/mist/vapours/spray. Avoid breathing dust/fume/gas/mist/vapours/ spray. Wear protective gloves/protective clothing/eye protection. Wash hands and exposed skin thoroughly after handling. Use only outdoors or in a well-ventilated area. Immediately call a POISON CENTER or doctor/physician. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. **IF ON SKIN (or hair):** Remove/ Take off immediately all contaminated clothing. Rinse skin with water/shower. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. **IF IN EYES:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing. If skin irritation or a rash occurs: Get medical advice/attention. Store locked up. Dispose of contents/container in accordance with local/regional/national/regulations.
