

Hydrogen Peroxide Solution 35%

Concentrated Peroxide Solution for use in carwash reclaim systems.

Directions

Consult your reclaim system manual for use instructions

Application

- Reclaim systems
- Industrial Deodorizer
- Oxidizer

Technical Data

Appearance: Clear, Colorless Liquid
 pH: N/A
 Odor: Pungent
 Specific Gravity: 1.133
 Vapor Density: 0.6

Storage Instructions

Wear all appropriate Personal Protective Equipment (PPE). Wear respiratory protection or ensure adequate local ventilation at all times as vapors can accumulate in confined or poorly ventilated areas. Avoid aerosolizing product. Use the product in a manner which minimizes splashes and/or the creation of dust. Keep containers closed when not in use. Store at room temperatures, i.e., 40 to 95°F (4 to 35°C). Store in a cool location. Provide ventilation for receptacles. Store away from foodstuffs. Do not store together with acids. Store in cool, dry conditions in well sealed receptacles. Keep container tightly sealed.

Product Code

A920

Safety

Hazard statements:

May cause fire or explosion; strong oxidizer. Harmful if swallowed. Causes severe skin burns and eye damage. Causes serious eye damage. Harmful to aquatic life.

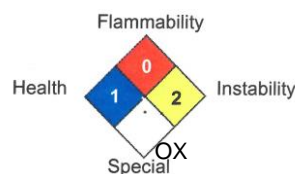

Signal Word: DANGER

Precautionary statements:

Do not eat, drink or smoke when using this product. Avoid release into the environment. Wear protective gloves/protective clothing/eye protection/face protection. Wear fire/flammable resistant/retardant clothing. **IF SWALLOWED:** Call a POISON CENTER or doctor/physician if you feel unwell. Rinse mouth. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. **IF ON SKIN (or hair):** Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Immediately call a POISON CENTER or doctor/physician. **IF IN EYES:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician. **IF ON CLOTHING:** Rinse immediately contaminated clothing and skin with plenty of water before removing clothes. Wash contaminated clothing before reuse. In case of fire: Use dry sand, dry chemical or alcohol-resistant foam to extinguish. In case of major fire and large quantities: Evacuate area. Fight fire remotely due to risk of explosion. Store locked up. Dispose of contents/container in accordance with local/regional/national/international regulations.
