

Concentrated Glass Cleaner

Highly effective concentrated glass cleaner that can be diluted up to 50:1

Directions

Dilution rates range from up to 50:1 with water.

Application

For use in cleaning vehicle glass, display cases and windows.

Technical Data

Appearance: Blue Liquid
 Odor: Mild
 pH: 8-9
 Biodegradable: Yes
 Stability: Good

Storage Instructions

Wear all appropriate Personal Protective Equipment (PPE). Wear respiratory protection or ensure adequate ventilation at all times as vapors can accumulate in confined or poorly ventilated areas. Avoid aerosolizing product. Use the product in a manner which minimizes splashes and/or the creation of dust. Keep containers closed when not in use. Store at room temperatures, i.e., 40 to 95 F (4 to 35 C). Do not allow product to come in contact with aluminum. Store in a cool location. Provide ventilation for receptacles. Avoid storage near extreme heat, ignition sources or open flame. Store away from foodstuffs. Store away from oxidizing agents. Do not store together with acids. Store in cool, dry conditions in well sealed receptacles. Keep container tightly sealed.

Product Code

B070

Safety
