

# Flash Dry Concentrate

Flash Dry Concentrate is a high-performance drying agent and UV protectant formulated for use in cold water rinse arch and for low pressure self-serve applications. When sprayed on a vehicle an immediate water beading/sheeting occurs for faster drying and brilliant vehicle shine.

## Dilution

Tunnel: 256 to 512 Parts Water to 1 Part Product  
 In Bay: 256 to 512 Parts Water to 1 Part Product  
 Self-Service: 256 to 512 Parts Water to 1 Part Product

## Application

- Used in tunnels, in bays and self-serve applications

## Technical Data

Appearance: Amber clear liquid  
 Odor: Light Citrus  
 Biodegradable: Yes  
 Foaming: Low  
 pH: 5.0  
 Rinsing: Complete  
 Stability: Good  
 Wetting Ability: Excellent

## Storage Instructions

Wear all appropriate Personal Protective Equipment (PPE).  
 Wear respiratory protection or ensure adequate ventilation at all times as vapors can accumulate in confined or poorly ventilated areas. Avoid aerosolizing product. Use the product in a manner, which minimizes splashes and/or creation of dust. Keep containers closed when not in use. Store at room temperatures, i.e. 40 to 95°F (4 to 35°C). Do not allow product to come in contact with aluminum.  
 Store in a cool location. Provide ventilation for receptacles. Store away from foodstuffs. Do not store together with acids. Store in a cool, dry conditions in well-sealed receptacles. Keep container tightly sealed.  
 Product may become unstable if cooled below 40°F. Keep product warm and above bare concrete floors. If product becomes unstable, add hot water and mix well. Product may be used if thawed properly.

## Product Code

CW569

## Safety

**Hazard statements:** Flammable liquid and vapour. May be fatal if swallowed and enters airways. Causes severe skin burns and eye damage. May cause an allergic skin reaction. Causes serious eye damage. Toxic if inhaled.

**Signal Word: WARNING**

**Precautionary statements:** Keep away from heat/sparks/open flames/hot surfaces – No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical/ventilating/light/equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Do not breath dust/fume/gas/mist/vapours/spray. Avoid breathing dust/fume/gas/mist/vapours/spray. Wash hands and exposed skin thoroughly after handling. Use only outdoors or in a well-ventilated area. Contaminated work clothing should not be allowed out of the workplace. Wear protective gloves/protective clothing/eye protection/face protection. Immediately call a POISON CENTER or doctor/physician. **IF SWALLOWED:** Immediately call a POISON CENTER or doctor/physician. Rinse mouth. Do NOT induce vomiting. **IF ON SKIN:** Wash with soap and water. Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. **IF IN EYES:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing. If skin irritation or rash occurs: Get medical advice/ attention. Store locked up. Store in a well-ventilated place. Keep containers tightly closed. Keep cool. Dispose of contents/ container in accordance with local/regional/national/ regulations.
