

## Golden Clearcoat Drying Agent

Golden Clearcoat Drying Agent is a high-performance drying agent formulated for use in cold water rinse arch and for low pressure self-serve applications. When sprayed on a vehicle an immediate water beading/sheeting occurs for faster drying and brilliant vehicle shine.

### Dilution

Tunnel: 128 to 256 Parts Water to 1 Part Product  
 In Bay: 128 to 256 Parts Water to 1 Part Product  
 Self-Service: 128 to 256 Parts Water to 1 Part Product

### Application

- Used in tunnels, in bays and self-serve applications

### Technical Data

Appearance: Yellow clear liquid  
 Biodegradable: Yes  
 Foaming: Low  
 pH: 6.0 – 8.0  
 Rinsing: Complete  
 Stability: Good  
 Wetting Ability: Excellent

### Storage Instructions

Wear all appropriate Personal Protective Equipment (PPE). Wear respiratory protection or ensure adequate ventilation at all times as vapors can accumulate in confined or poorly ventilated areas. Use the product in a manner, which minimizes splashes and/or the creation of dust. Keep containers closed when not in use. Do not handle or store material near heat, sparks, open flames or other sources of ignition. Store at room temperatures, i.e., 40 to 95°F (4 to 35°C). Product may become unstable if cooled below 50°F. Keep product warm and above bare concrete floors. If product becomes unstable, add hot water and mix well. Product may be used if thawed properly. Use only in well-ventilated areas. Prevent formation of aerosols. Store away from foodstuffs. Do not store together with alkalis (caustic solutions). Store away from oxidizing agents. Keep container tightly sealed.

### Product Code

CW663

### Safety

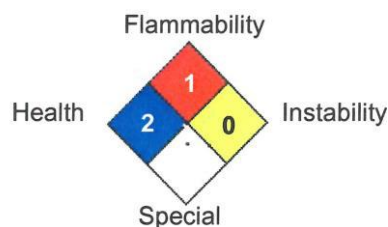

**Hazard statements:** May cause an allergic skin reaction.

**Signal Word:** WARNING

**Precautionary statements:** Avoid breathing mist/vapours/spray. Wear protective gloves/protective clothing/eye protection. Wash hands and exposed skin thoroughly after handling. Contaminated work clothing should not be allowed out of the workplace. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. **IF IN EYES:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing. IF exposed or concerned: Get medical advice/attention. **IF ON SKIN:** Wash with plenty of water. Dispose of contents/container in accordance with local/regional/national/ regulations.
