

CeramicLustre® is a high performance, durable coating designed to repel water and exhibit anti-soil properties.

Dilution

Dilution rates range from 100 to 512:1 depending on application with water or consult your Shore Automotive Care Solutions representative for specific dilution instructions.

Application

- Used in tunnels, in bays and self-serve applications

Technical Data

Appearance: Amber clear liquid
 Odor: Light Citrus
 Biodegradable: Yes
 Foaming: Low
 pH: 4.0
 Specific Gravity: 0.990
 Rinsing: Complete
 Stability: Good
 Wetting Ability: Excellent

Storage Instructions

Wear all appropriate Personal Protective Equipment (PPE). Wear respiratory protection or ensure adequate ventilation at all times as vapors can accumulate in confined or poorly ventilated areas. Use the product in a manner which minimizes splashes and/or the creation of dust. Keep containers closed when not in use. Do not handle or store material near heat, sparks, open flames, or other sources of ignition. Store at room temperatures, i.e., 40 to 95 F (4 to 35 C). Do not allow product to come into contact with aluminum.

Requirements to be met by storerooms and receptacles: Store in cool, dry place. Provide ventilation for receptacles. Store away from foodstuffs. Avoid storage near extreme heat, ignition sources or open flame. Store away from oxidizing agents. Store in cool, dry conditions in well sealed receptacles. Keep container tightly sealed.

Product may become unstable if cooled below 50 F. Keep product warm and above bare concrete floors. If product becomes unstable, add hot water and mix well. Product can be used if thawed properly.

Product Code

CW767

Safety

Hazard statements: May be fatal if swallowed and enters airways. Causes severe skin burns and eye damage. May cause an allergic skin reaction. Causes serious eye damage. Harmful if inhaled. Suspected of damaging fertility or the unborn child.

Signal Word: DANGER

Precautionary statements: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Do not breathe dust/fume/gas/mist/vapours/spray. Avoid breathing dust/fume/gas/mist/vapours/spray. Wash hands and exposed skin thoroughly after handling. Use only outdoors or in a well-ventilated area. Contaminated work clothing should not be allowed out of the workplace. Wear protective gloves/protective clothing/eye protection/face protection. Use personal protective equipment as required.
